(verse 7)

# 1 Samuel 16:14-23

4. We must serve to be placed

(verse 11,21,22)

# Gestation Period Definition

*The time in which a fetus develops,  
beginning with fertilization and  
ending at birth.*

The womb is the place where a child can grow and get the tools it needs to be ready for the next stage of life. But if it stays past the gestation period, that place becomes toxic to the health of the child.

Don't let the place that was meant to help, now become a hindrance because you won't move to the next place God has for you!
